Outskirts Press, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.OF TIME AND TIDE (An Alternative View of the Universe) This work is an attempt to explain clearly two aspects of Einstein s Relativity: time and gravity. Further, to consider the mechanics of gravity and the implications to our understanding of this universe. To succeed in understanding time, you and I must first take a brief look into our own psychology and realized that being evolved of this earth our concept of time is formed by the consistency of the earth s movement both daily and annually as well as our psychological disposition that places us in the prime position. With simple logic we show how easy it is to understand what often seems confusing: the relativity of time. We reach an understanding that time is always relative; it is only our psychology and the constancy of our travels through space-time that causes our misconception. We then move on to gravity, talking briefly about that concept s origin. In the Geocentric Universe there was never a question of gravity, the earth was the center of everything, up...
