

Science Readers, Vol. 6 (Classic Reprint) (Paperback)

By Vincent T Murche

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Science Readers, Vol. 6 Following on the lines of its predecessors, this, the Sixth Book of the series, aims at still further expanding and developing the truths and principles taught in the earlier books. Comprehensive as the whole scheme is, the young reader will scarcely experience a difficulty in grasping any one subject, because the way has been carefully prepared beforehand, step by step. He sees at once that the various developments are the natural outcome of what has gone before. Each lesson from the companion book, the teacher's manual, is here reproduced, in an easy, chatty style, from the child's own standpoint. It is felt that these readings, used as a supplementary aid to the oral lessons, cannot fail to rivet the teaching on the mind. This volume, like the rest, has been profusely illustrated; but every picture is meant to be a real teaching aid, both in respect to the lessons on animal and plant life, and in the experimental lessons. It should be observed that some of the subjects do not lend themselves to pictorial illustration...
