Transworld Publishers Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. If there is any solace in growing older, it is that you will find yourself guffawing in hysterical recognition at the situations Nora Ephron describes, from the impossibility of trying to remember people s names at parties,to struggling with the new technology. You will find yourself rolling off the sofa snorting with laughter as she recalls with her signature clarity and wisdom everything she hasn t (yet) forgotten, including what it feels like to produce a flop - and you will swallow down a lump in your throat at the poignancy of her insights into the pain of losing friends, and the guilt of separation and divorce. One thing is for sure, there is nobody else who can put her finger so very precisely, so beguilingly, with so much wisdom and with so much wit, on what we all struggle with as we journey into our later years.
