Reviews

Certainly, this is actually the greatest job by any author. It is definitely simplified but excitement inside the 50 percent of the book. I am just easily will get a delight of studying a composed pdf.

(Lelia Heidenreich)

THE SECOND NARRATIVE OF JOHN TANNER

College of Mines Press. Paperback. Condition: New. 322 pages. Dimensions: 8.5in. x 5.5in. x 0.8in.Kidnapped by Saginaw Ojibwa at the age of nine, John Tanner lived thirty years as an Indian; it was not until middle age, compelled by racial repudiation, ruined health, and a vestigial sense of place and destiny, that he sought to reclaim his white heritage. Yet every effort to fit in, to be accepted in his original though now all but incomprehensible world, came to tragedy; white society, in the end, would not reclaim John Tanner. Fate drew him into the orbits of famed explorer-scholars Edwin James and Henry Rowe Schoolcraft, who would, in their turns, manipulate and exploit Tanners history, abilities, and abject innocence to their individual ends. Robbed of income and family, driven mad with rage and grief, Tanner withdrew, became legend, a name invoked to bring children running in after dark. When in 1846 Schoolcrafts brother James was found murdered, suspicion fell instantly on Tanner. But Tanner had, as quickly, disappeared. The Second Narrative of John Tanner, penned in the summer of 1846 by a young teacher bound in audience to Tanners nightly monologues first by force, then by idealism, sympathy, and a growing, if wary, affectionis the story, in (nearly) his own words, of a man lost between worlds and homes, a child of nature turned fuming, retributive monster. It is as well a story of isolated personalities at odds with mankind and themselves, engaged in a dueling search for justification, humanness, and grace. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
