Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Interesting Tales of Other People s Woe (156 pages) presents 12 stories written by author Damon Stewart over the span of 15 years. Seven of the stories in this collection first appeared in various literary magazines, including: Word Riot, Salvage, Big Toe Press, Hobart, Amoskeag, Full Circle, and The Morpo Review. The stories in Woe provide a glimpse into lives that have gone off in unpredictable directions, both bad and good. Not all the tales are truly about woe. Some characters find hope, even contentment, in this collection. But we can relate to all of them, or at least get a sense of our neighbor s fear or wonder. Sometimes it s not about where you end up, but how you got there. In Deja Vu, You Too, Champ, the author explores the concept of reincarnation and what would happen if one remembers all one s past lives. In Fall Harvest, Stewart makes the case that those awkward reencounters with long lost friends just don t have to be that awkward. In other stories, we see the consequences of decisions we might have made but (fortunately) didn t- e.g. what if you did run off with the that person you were infatuated with, leaving spouse, children and all trappings of your former life behind? What if your rage at a betrayal was given full rein? What if you did have that one-more-for-the road, after you ve had one for the road? Interesting Tales of Other People s Woe is about roads to getting there, both the paved and the rough path.
