

Fresh Faced Makeup: Make your own skincare cosmetic products for natural beauty (Hardback)

By Alex Brennan

PAVILION BOOKS, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. When model Alex Brennan discovered that conventional, chemical-laden hair treatments could be contributing to her sudden hair loss, she started cooking up natural recipes for shampoo and conditioner in her kitchen. Using these handmade products her hair soon grew back. Alex's friends and family became interested and she started creating and testing new products with them in mind. Many of her friends in the fashion industry (models, makeup artists, etc.) began using her products both on the job and at home, and a business was born. Alex is passionate about healthy, environmentally friendly beauty and shows you how easy it is to make your essential products at home using simple ingredients that can be found at your local supermarket or health-food store. The book is divided into two main areas: Facial Skincare and Cosmetics. Learn how to identify your own skin type, then create personalized core products to cleanse, tone and moisturise, before rustling up the finishing touches to your skincare regime including blemish busters, exfoliators, serums, eye creams, face masks and more. Then give your cosmetics kit a complete makeover with recipes for foundation,...
