Jaya Publishing House, 2014. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. Contents: Preface. 1. Multiple choice: choose the correct answer. 2. Match the pair. 3. Reason and assertion. 4. Statements. Agronomy is the mother of agricultural sciences and it encompasses the basic knowledge of all the disciplines. Knowledge in agronomy is essential at all levels including those professionals working outside the core agronomy field. Ample volume of literature and books are available in the agronomy discipline to cater the needs of the students. Several books are available for under graduate and post graduate level students. The students aiming to crack the competitive examinations are in search of good books in agronomy. Although many question banks are available in the book market, the patterns of questions appearing in the competitive examinations are not in consonance with the questions appearing in the competitive examinations. This objective agronomy caters those needs. This question bank (900 questions) has been designed in such a way that students appearing for civil service/public service commissions should be benefitted out of this book, besides the JRF/SRF examinations of ICAR.
