The University of Chicago Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Between Parker s 1961 debut and his return in the late 1990s, the world of crime changed considerably. Now fake IDs and credit cards had to be purchased from specialists; increasingly sophisticated policing made escape and evasion tougher; and, worst of all, money had gone digital - the days of cash-stuffed payroll trucks were long gone. But cash isn t everything: Firebreak takes Parker to a palatial Montana hunting lodge where a dot-com millionaire hides a gallery of stolen old masters - which will fetch Parker a pretty penny if his team can just get it past the mansion s tight security. The forests of Montana are an inhospitable place for a heister when well-laid plans fall apart, but no matter how untamed the wilderness, Parker s guaranteed to be the most dangerous predator around.
