Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Crystal Smith. Paperback. Condition: New. 200 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Boys, Sex and Media gives parents the tools they need to help their sons make sense of the unhealthy sexual imagery that dominates airwaves and computer screens today, from X-rated films to the everyday media adolescent boys see, including music videos, graphic novels, sports magazines, and advertising for mundane products like burgers and beer. Boys, Sex and Media looks at the impact of stereotyped depictions of gender and sexuality on boys sexual development, and considers the influence of peers and parents as filters of media messages. Comprehensive and exhaustively researched, Boy, Sex and Media covers pornography, boys sexual health, consent, sexual aggression by and toward boys, body image, and the pressures boys feel to prove their masculinity through sexual experience. It concludes with a discussion of the importance of parental communication and media literacy, tips for talking with boys about sexualized media, and a list of additional resources. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
