

In Your Genes

By Steve Parker

Capstone Global Library Ltd. Paperback. Book Condition: new. BRAND NEW, In Your Genes, Steve Parker, "Freestyle Express" is a new, fully accessible range of books tailored for 11-15 year old pupils with a reading age of 8 years. The range uses a simplified version off the Freestyle layout, making it easier for the less confident reader to follow. "Body Talk" enables your students to get to grips with the basics of human biology and be entertained in the process! With "Body Talk Freestyle", readers can find out how the body works while enjoying some weird and wonderful facts that are sure to get them hooked on learning about this important part of the science curriculum. Readers are encouraged to think about their own bodies in order to connect with the subject matter. Curriculum coverage including appropriate terms and concepts so that students unable to cope with mainstream texts are still getting access to core curriculum topics. Feature boxes filled with fascinating facts, clear artwork and quirky photos keep engagement levels high.

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
