Standard paperback (6 x 9) Print size The tenth title in the Adult Coloring Book Series from Relaxed Venues, and composed of over 50 designs. A mixture of line art designs, some perhaps reminiscent of childhood coloring book from the five and dime stores that predated the limited Dollar stores of today. These designs do not have the thick black lines encompassing the components. Add lines, shapes and details, just as you used to when you took a spot on the floor, to color with your younger siblings, nieces and nephews. A color shading technique will lead you to a new level, that was not possible with waxed crayon from your familiar orange and blue tattered boxes of the past. Embrace the joy that coloring brought to you, as you developed your world and values from an early age. Let the enjoyment provide you with an increased sense of creativity and derived feelings of relaxation and peacefulness.
