

## Eugenic Education for Women and Girls (Classic Reprint) (Paperback)

By Miss Alice Ravenhill

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Eugenic Education for Women and Girls The measures now active and the methods in general use to prepare for family life in our elementary schools are fairly familiar to all. Though admirable in intention they are susceptible of much extension and improvement. In respect of the household arts, secondary schools are, I think, doing and experimenting far more than is generally known. At one time only the dullards were encouraged to pursue the purely technical practice of cookery in the school, then fuller post-scholastic courses were provided for girls who were not passing on to a University career or to some immediate wage-earning occupation, a method which is being still further developed with advantage. Meanwhile the Board of Education recognised the subject in secondary schools, and encouraged its introduction, so that there are now in existence quite a variety of courses, all of a more or less tentative character, it is true, but all making for good results. Some are wholly technical and distinctly limited in scope, others are linked with one or more school studies, such as elementary...
