Check with the seller prior to purchase. -- Applying philosophy to everyday life. Core Questions in Philosophy emphasizes the idea that philosophy is a subject de-voted to evaluating arguments and constructing theories. Presented in an engaging lecture-style format, this text/reader focuses on the basic issues and ideas in philosophy with lectures/discussions, supported by readings from historically important sources. Discussions emphasize the logic of philosophical arguments and how they relate to the content of modern physical and social sciences. Teaching Learning Experience The teaching and learning experience with this program helps to: * Improve Critical Thinking - Review questions at the end of each chapter allow students to review what they ve just learned and think critically about related problems. * Engage...
