ILL CONCEIVED: 2 (PAPERBACK)

127 Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this, the second of the Meredith Hodge series, DCI John Meredith is keeping secrets from partner Patsy Hodge. That can only lead to trouble, and it raises questions as to whether their relationship can survive. Dealing with their personal issues must take a back seat whilst they investigate a series of heinous crimes. Why did Anna Carter, a beautiful young girl in her prime, murder a man with whom she only had a chance meeting? Who would be brave enough to attempt to murder popular mayoral candidate Richard Hancock in front of an audience? Going against Patsy's advice, Meredith tries to prove Anna's innocence rather than her guilt. Patsy, new to her role as partner at private investigators Grainger Grainger, takes her first major case, and is tasked with finding out if a colleague responsible for the alleged rape of successful business woman Stella Young. Meredith is convinced that Michael Brent, a local entrepreneur is involved. He doesn't realise it, but he's working against the clock to prove it. His decision not to share his suspicions with Hodge might prove to have fatal consequences. Excerpts from reviews on Amazon Written with passion for the characters, but not at the expense of a great drama, which twists and turns throughout the story. I could not put it down! *** The whole genre of detective fiction began with a lady author - Anna Katherine Greene - and it's good to see that it's safe and even more successful these days in the hands of other women writers such as Marcia Turner. *** I couldn't wait to start this book after reading the first one and it..
