Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

RESTORING JUSTICE: AN INTRODUCTION TO RESTORATIVE JUSTICE

Routledge, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Comments on Previous Editions of Restoring Justice As a crime victim, victim advocate, and long-time supporter of restorative justice values and principals, I found Restoring Justice to be an excellent resource for anyone interested in the complex world of restorative justice history, processes, and ideas. Bravo to Dan Van Ness and Karen Strong for offering a balanced approach to restorative justice that understands "real" justice is about repairing the harm and healing those who have been harmed by crime: victims, offenders, and communities. Restoring Justice is a well-written and quite often inspirational book! ~Ellen Halbert, Director, Victim/Witness Division, Travis County District Attorney's Office, Austin, Texas; Editor, the Crime Victims Report , a national newsletter At each edition of Restoring Justice , Daniel Van Ness and Karen Heetderks Strong set the standard and make their volume one of the basic books-or perhaps the basic book-on restorative justice. Their book reflects the richness of the restorative justice approach, through process analyses with clinical relevance, theoretical thinking with social ethical and social significance, principled exploration on juridical options, and a broad sociological context analysis. Van Ness and Heetderks Strong colour this broad interdisciplinary picture with their own visions and options. In doing so, they deliver a crucial contribution to understanding restorative justice principles and their proper implementation. Restoring Justice is the result of intensive commitment to the values of restorative justice, balanced with a constructive critical mind for possible problematic implementations, and openness for unanswered questions and unresolved difficulties. It is a landmark in the restorative justice literature. ~Lode Walgrave, Professor Emeritus, Catholic University of Leuren [In Restoring Justice , Dan Van Ness and Karen Strong] challenge researchers and scholars to move beyond measuring only recidivism as the...
