Our goal is to serve with people who live in these river basins and those we serve determine our projects. We ask them what makes up their greatest challenges and covenant with them to meet and overcome those challenges together. ROW emphasizes that it is their country, their village, their culture, but our problem. Our goal is to serve in an atmosphere of mutual concern and respect. ROW projects run the gamut of human, physical and spiritual needs. Academics, research, education and medical/dental concerns go hand-in-hand with church planting, construction, evangelism and Bible distribution.
