Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Kaycee McGlynn)

ANTONY AND CLEOPATRA: LANGUAGE AND WRITING

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Antony and Cleopatra: Language and Writing, Virginia Mason Vaughan, Reading Antony and Cleopatra is particularly challenging because of Shakespeare's masterful embodiment of Rome and Egypt's contrasting worlds in language, structure, and characterization. Instead of seeing the interaction of Roman and Egyptian perspectives in Antony and Cleopatra as a type of double image of reality that changes as one moves from one location to another, students often find themselves compelled to pick sides. The more romantic opt for Cleopatra as the most sympathetic character, while the pragmatists dismiss her lifestyle as self-indulgent. The central challenge in reading this play, in other words, is to resist the compulsion to take sides and, instead, to adopt a 'both-and' point of view rather than an 'either-or' choice. The play's central binary - Rome vs. Egypt - is deeply embedded in its language and structure, yet the play consistently complicates our view of either side. The book encourages students to think outside the binary box, to understand, and to celebrate, Shakespeare's exploitation of the multivalent nature of language. As well as helping students to analyse the intricacy of Shakespeare's language in Antony and Cleopatra, each chapter's 'Writing matters' section enables students to develop their own writing strategies in coursework and examinations.
