ON EDUCATION

Read Books, United Kingdom, 2006. Paperback. Book Condition: New. 212 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.ON EDUCATION THE FUTURE IN EDUCATION AND EDUCATION FOR A WORLD ADRIFT BY SIR RICHARD LIVINGSTONE PREFACE This volume contains two books which were originally published separately. A few minor changes have been made to bring statistics, etc. uptodate. Education for a World Adrift is an attempt to consider what education can do to remedy the lack of standards and clear beliefs which is the most dangerous weakness of the Western world. The Future in Education was the fruit of reflection on the results of our present educational system. We might with advantage more often consider how far it misses or achieves its aims. As it is, we are like doctors who administer doses from a number of stock medicines but never ask what effect they have on the health of their patients. The treatment is reasonably successful with a small minority, but the rest leave pur surgeries with no desire to take any more of the medicines which we think indispensable to their health, and often with a strong aversion to them. The real benefit of school lifeand it is a great benefitis its effect on the character, the result of living an ordered life under discipline and in good conditions. But the other aims for which schools are supposed to exist are very imperfectly attained by most of their pupils. It is not a question of what the ordinary boy or girl knows or does not know, when they leave school it is a question of the interests and tastes which they carry with them into life. Here our education fails. If anyone thinks this too pessimistic a view, let him consider the cheaper London...
