By H Boyden Bonebright B S a Memb

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Farm Engineering, Vol. 1 In order to derive the utmost possible benefit from this paper, you must thoroughly master the text. While it is not intended that you commit the exact words of the text to memory, still there is nothing contained in the text which is not absolutely essential for the intelligent farmer to know. For your own good never refer to the examination questions until you have finished your study of the text. By following this plan, the examination paper will show what you have learned from the text. This lesson book is not intended to be a book of plans for farm buildings. It is designed to give in a practical way, the fundamental, scientific knowledge which should enable the student to plan farm buildings, which will exactly fit the purpose for which they are built. It is also designed with a view to putting the student into closer touch with the Experiment Stations and the Agricultural Colleges, that he may derive therefrom such information as he may need from lime to...
