Inspiring Voices, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Henry is just old enough to begin to learn about love and truth, trust and sharing. That s why Dad has decided to take Henry on an adventure, something Dad does when Henry needs to see something for himself. It s time for Henry to go with Dad to the Forest of Inside-Out. The Forest of Inside-Out is a very special place, where even the animals can talk (it s how they get what s inside them out). In the Forest of Inside-Out you can only tell the truth, and you have to see and deal with things, for yourself, exactly as they are. Henry gets to find out what s inside Henry and those who love him, and how that makes him feel. As the adventure unfolds, Henry learns the value of listening to his Dad s voice, even if he can t see him. Dad tells Henry about Helpers, too. Of course, allowing himself to be helped and becoming a helper is a decision Henry will have to make for himself as the adventure of his life continues. Tim Healy, lives in a small town in northeastern Connecticut, USA, not far from the Forest of Inside-Out, with his lovely wife Chris. Their grandson Henry is the loving focus of this book and all those to follow.
