By MR Vishnu Varthanan Moorthy

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. CMMI High Maturity is something every software organization is interested in! Attaining Maturity Level 5 rating means world class processes in place in that organization. Though it s everyone s interest, there is less details available in the world on how to practically implement CMMI ML5 and how to interpret the High Maturity practices. This book is an attempt to decode the high maturity practices with clear sample cases for all the High maturity process areas, there by connecting the dots of Implementation. This book explains the practicality of implementation of CMMI ML5 and has given specific guidance in many cases. Obviously it is not the whole of CMMI or the whole of everything, however may be this is the only book which offers highest possible insight in CMMI High Maturity Implementation. What it offers: -Complete guide as an End to End CMMI High Maturity Implementation -Practical interpretation of CMMI Practices -Sample cases covering CMMI Dev and CMMI SVC Models v1.3 -Basic Statistical Concepts Required for Implementing High Maturity -Clarity in definition and difference between important terms -Connects the...
