Maybe you would like to enhance the way your employee s communicate or build stronger teams, leaders and managers? Potentially you want to increase innovation within your workplace and build a culture of authenticity that money just can t buy? Or perhaps you want to create an organisation that leads the way, being a 21st century powerhouse driven by the digital revolution? Whether you are a leader in an established business or a budding entrepreneur, this book will inspire you to take positive action in growing a productive, healthy and profitable business at the same time as evolving yourself as a human being. You ve discovered this book at exactly the right time to solve a problem that faces every business trading today. Technology is moving at such a fast pace that humanity is having trouble keeping up. Men and women in boardrooms and management teams are having to deal with new ways of working, of dealing with customers, stress and nurturing teams. Those with dinosaur attitudes will be left behind and fail. What s needed is enlightened thinking in business about 21st century relationships, engagement, authenticity and what it looks like to do the right thing. In this book you are shown how to explore your current set of beliefs about life and business. Then to challenge them, find your true values and guide your life in an authentic way that s true to yourself and to those around you. Your mind is a powerful tool. Your beliefs and thoughts bring about a cascade of very real...
