Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.[PROF KRISHNA HAS AUTHORED ANOTHER BOOK: ESSAYS ON FORENSIC ENGINEERING, ALSO THRU CREATESPACE, BROWSE FOR 197397004X] *** Dr. N. Krishnamurthy (known as Prof Krishna) wrote his first book Introduction to Risk Management based on his intensive and extensive involvement in workplace safety and risk management in Singapore since the late 1990s, continuing his teaching, research, and consultancy for academia and industry in USA, India and Singapore from the mid-1950s. This is an expanded and globalized version of the earlier book with the new title Introduction to Enterprise Risk Management to set it apart from the previous book and emphasize that it does not related to financial risk management. It covers principles and applications of risk management for construction and other hazardous industries. Although examples are cited from author s personal experience in Singapore, the material and treatment are now laid out so broadly that any reader will find enough to get started and keep going on workplace risk assessment and control almost anywhere in the world and with any enterprise. The contents are aimed at the student and the fresh graduate,...
