

## Finance, Society and Sustainability: How to Make the Financial System Work for the Economy, People and Planet (Hardback)

By Nick Silver

Palgrave MacMillan, United Kingdom, 2017. Hardback. Condition: New. 1st ed. 2017. Language: English . Brand New Book. This book is a critical analysis of the impact of the financial system on the economy, society and the natural environment. It cuts through the noise to looks at its purpose, its activities, and what it does in practice. Unlike other books that cover the last financial crisis and the risk of another one; this book is about the consequence of the financial system continuing in its current form. It argues that the financial system is a construct of flawed economic theories, designed in the hope that the market will efficiently allocate society s capital. Instead, the finance sector allocates savings and investment to maximize its own revenues, with resulting collateral damage to the economy, society and the environment. Although governments try to preserve and regulate the existing system, it is being replaced by a new system driven by technological innovation. The book describes the opportunities this presents for a renaissance of the financial system to actually meet the needs of society, and to re-engineer our economy to avoid environmental crisis. The book is for anyone who would like to understand the finance system s purpose,...
