Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you think that earning a living from your love for exercise is a stretch? It s not. Careers in fitness are one of the fastest-growing segments of the US job market, and leading the way are personal trainers. In fact, the ranks of personal trainers have jumped by almost 50 percent over the last ten years, and there is no sign of this job growth slowing up any time soon. Young and old, men and women, people of all income levels are signing up for fitness classes and personal training sessions at an ever-increasing rate. With obesity being blamed for many of the health problems that people face today, thousands of people throughout the nation are determined to shed their extra weight. These people are turning to personal trainers to assist them in reaching that goal. Reality television shows like The Biggest Loser have proven that no matter how overweight people are, they can slim down and learn how to stay fit with the aid of a knowledgeable personal trainer. Those who are already in good physical shape and want to stay that way also pay personal trainers to fine tune their exercise routines and provide expertise on the latest fitness trends. Athletes, dancers, rock singers, actors, and others whose professional careers rely on being in shape, retain personal trainers to keep them in peak form. Corporations bring in personal trainers to help top executives stay at their physical best. Today, more than ever before, the emphasis is maintaining good health by exercising and eating properly, and personal trainers can provide valuable insights in both these areas. Fitness is a service industry. Every client is different, every...
