Mew Cry is a cat song and a play on words. It is a hue and cry, an alert to all, proclaiming the joy of opera, a musical genre often avoided like the plague. The author, a lifelong writer and arts aficionado, avoided the subject until she turned 70 when she realized she wasn't getting any younger and it was high time she faced up to opera. She attended a Met Live in HD opera presented on a big screen at a venue near her home on the West Coast at exactly the same moment it was performed on stage in New York City.
