Flyleaf Press, Ireland, 2015. Paperback. Book Condition: New. Cathy Henderson (illustrator). 3rd Revised edition. 230 x 145 mm. Language: English . Brand New Book. Donegal has fewer genealogical records than most Irish counties. Donegal families are a mixture of native Gaelic families and Scots-Irish families who settled in the county from the 17th century onward. The records are both diverse in nature, and also widely scattered. Although the major sources are those within the Republic of Ireland, in which Donegal is situated, there are also some records in Belfast repositories which is part of the United Kingdom administration. This book sets out the records available, and where they can be accessed.
