FABER FABER, United Kingdom, 2009. Paperback. Condition: New. Main. Language: English . Brand New Book. Religion is for the benefit of the masses, not for brain-box types like you. Those simpletons require strict rules for living, otherwise they would still think the earth sits on three fishes. But you mind-wallahs must know it s a lot of balls. An Asian kid from Kent goes to college in London and teams up with a sympathetic group of anti-racists. But it s 1989, the year of the fatwa, and as Shahid begins a hedonistic affair with his lecturer, his radical Muslim friends want to steer him away from the decadence of the West. We re not blasted Christians. We don t turn the other buttock. We will fight for our people who are being tortured anywhere - in Palestine, Afghanistan, Kashmir, East End! Hanif Kureishi s witty stage adaptation of his strikingly prescient and acclaimed novel, The Black Album, humorously considers how the events of 1989 have shaped today s world, where fundamentalism battles liberalism.
