

Foundation Maths

By Anthony Croft, Robert Davison

Pearson Education Limited, United Kingdom, 2016. Paperback. Book Condition: New. 6th Revised edition. 245 x 191 mm. Language: N/A. Brand New Book. Foundation Maths has been written for students taking higher and further education courses who have not specialised in mathematics on post-16 qualifications and need to use mathematical tools in their courses. It is ideally suited to those studying marketing, business studies, management, science, engineering, social science, geography, combined studies and design. It will be useful for those who lack confidence and who need careful, steady guidance in mathematical methods. For those whose mathematical expertise is already established, the book will be a helpful revision and reference guide. The style of the book also makes it suitable for self-study and distance learning.
