Pearson, 2017. Book. Condition: New. 8th ed.. Language: English . Brand New Book. NOTE This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab(TM) and Mastering(TM) platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For all Intermediate Microeconomics courses at the undergraduate or graduate level. This package includes MyLab Economics. Using microeconomics to analyze and resolve real-world policy and business problems A market-leading text, Microeconomics presents economic theory in the context of real, data-driven examples, and then develops your intuition through hallmark Solved Problems. The text places emphasis on modern theories-such as industrial organization theory, game theory, and transaction cost theory-that are useful in analyzing actual markets, while a step-by-step problem-based learning approach demonstrates how to use microeconomic theory to solve business problems and analyze policy. The 8th Edition has been substantially updated with new or revised real-world examples, applications, and problems so that you gain a practical perspective, seeing how models connect to real-world decisions being made in today s firms and policy debates. Personalize learning with MyLab Economics MyLab(TM) Economics is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. 013464235X / 9780134642352 Microeconomics,...
