*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brian quickly learns this lesson as he is new to the body of Christ. One of the biggest battles he s faced with is continuing to please God while dealing with a part of his past in the form of Natalie, the mother of his four year-old daughter. Brian finds himself in a nasty custody battle as Natalie takes him on a roller coaster ride of emotions, lies, deceit and the classic baby momma drama. Natalie s sole purpose, after her many dismissed sexual advances, is to jeopardize Brian s reputation with hopes that he will lose the custody battle for their daughter. Brian must learn to trust God through all of this all while maintaining his salvation, sanity and continuing to be a great father to Amara.
