

# Commanding Your Year: Devotional Daily Planner (Paperback)

### By Adelia Jones

Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Commanding Your Year is a daily tool to help you intentionally align your life with God s word while using the daily planner to be a good steward over the twenty-four hours God graciously blesses you with day to day. We all have the same twenty-four hours in a day, what you do with it is up to you. This book is meant to focus your thoughts daily on the truths in God s word and not on the lies the enemy will tell you. It was by the Word of God the world was framed (fashioned, put in order, and equipped for their intended purpose) so that what we see was not made out of things which are visible. It is by faith that we understand this. As you begin your year, you will commit to framing (commanding) your year by the Word of God and calling those things that be not as though they were--according to God s Word and what He has promised you and not according to what you have seen in the past or are seeing...
