All for the Prize Publications, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a call back to original Christianity. There is reason for discontentment with church as we ve known it. Scripture reveals King Jesus started something very different than what we commonly encounter today. The Church Jesus brought forth in the first century, despite its trials and temptations, was united, loving, faithful, and powerful. It ruled spiritually. It turned the whole world upside down through evangelism (Acts 17:6). It produced faithful Believers and loving martyrs. What happened to it? Can it emerge again? YES! - The New Covenant leadership Jesus initiated - The dignity and limitless potential of each Disciple in Jesus - The restoration of Biblical elders/overseers - What church really means-this will bring us freedom and unity - The Legislature Jesus said He d build - The five equipping ministries and beyond them - Centering around Jesus, not individual ministries - The five essential, early Christian activities - The need for full participation of ALL disciples This is one of the most impacting and educational books I ve ever read for my spiritual growth. -Anonymous Chinese Believer David has exposed truths that have been covered, without which Christians have been held back from the full life that God would have them to live. This book is a must read. I would challenge everyone young and old to consider what David has put forth here. -RC Wedner, a shepherd among God s People I recommend it to all, from bishops of cathedrals, to laymen attempting to start a house church. You need this!.I have been a church planter, an elder, a pastor, a missionary, and a student of the church in the Scriptures and in history for more than...
