

Unprecedented Climate Mobilization: A Handbook for Citizens and Their Governments (Paperback)

By Elizabeth Woodworth, Dr. David Ray Griffin

Clarity Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. It is now widely recognised that global warming poses an existential threat to the world as serious as nuclear war. And yet, despite the urgency, despite UN engagement, governments have not stepped up to the plate. The world desperately needs a deeply committed leadership and programme of action to deal with climate change. The global public's growing presentiment of the horrific impact of global warming has enormous potential to shift it into emergency mode. In this context, pointing to America's WWII mobilisation to battle the Fascist threat, Unprecedented Climate Mobilization urges and informs a full WWII-style climate mobilisation, suggesting ways in which the United States can exercise leadership. This book shows how the American people have historically risen and adapted to long emergencies, demonstrated in particular by President Roosevelt's ability to mobilise Americans a full two years before the United States declared war on Japan and Germany in December, 1941. Then, as an example of what is possible, US automakers became a cornerstone of the war effort; having built three million cars in 1941 they quickly converted their factories to making tanks...

Reviews

It is an incredible publication i actually have actually go through. I really could comprehended everything out of this composed e.pdf. Its been designed in an exceedingly simple way and is particularly just following i finished reading this publication where actually changed me, alter the way i think.

-- Prof. Colton Jakubowski IV

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

-- Imogene Bergstrom
