By Russel Knale

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A modern day Cowboy takes the trail on line to find his Darling 4AM It rained and I slept most the day away listening to Jason Aldean. I am almost never at the dinner table by seven so you would just be upset since you love to cook and all. I had to learn to use a stove as a kid otherwise we ate bologna or peanut butter. I would not expect you to have a meal prepared, but if you do have to be cooking, I would very much appreciate the leftovers and kiss you very gently for your hard work, while I still have my hair.
