THE MASTER SECRET CODE

Xulon Press. Paperback. Condition: New. 248 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. The Master Secret Code is a book that brings forth a new and simple to understand code found in the Bible, and the code is in the English language. The code uses phrases written in plain English using the biggest trademark names such as (McDonalds Corporation Illinois), (Burger King Corporation of Florida), or (Target Corporation Minnesota). These long English phrases can be spelled within just one Bible verse, and when they are found, the Bibles verse numbers bring forth the most significant years of these trademark names such as the yearmonthday that the company started. Other companies included in the book are: The Coca-Cola Company, WalMart, Chrysler Corporation, Wendys, Starbucks Coffee and many others. The book shows that these company names were encoded in the Bible thousands of years ago along with their major history dates such as the year they began, year they went public, or year(s) that they came out with their most famous products. (JACK IN THE BOX INC) can only be spelled in one Bible verse Jeremiah 51: 23, the chapter is 51, the year that this restaurant chain began in California in 1951.
