Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Christianity is differentiated from all the other religions by the fact that it offers its followers a spiritual dynamic in living up to its precepts. That dynamic is the Holy Spirit, that sets the word of God on fire, warms the church from coldness to enthusiasm, and strengthens the Christian with a power not his own in the great battle between the flesh and the spirit. Christianity is unique in making this offer. No other religion has any equivalent for it. The Holy Spirit is not obtained from the deductions of logic, the conclusions of philosophy nor from the investigations of science. All these are as silent as the grave regarding his presence and potency. It is solely and distinctly a matter of divine revelation. It is not my purpose, therefore, to view this subject in the light of philosophic induction, logical deduction nor scientific investigation, but solely in the light of God s revelation. I shall gather the teaching of God s word around several important phases of the nature, mission and work of the Spirit.
