*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Skyhorse Publishing, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. According to Ilana Garon, popular books and movies are inundated with the myth of the hero teacher -the one who charges headfirst into dysfunctional inner city schools like a firefighter into an inferno, bringing the student victims to safety through a combination of charisma and innate righteousness. The students are then saved by the teacher s idealism, empathy, and willingness to put faith in kids who have been given up on by society as a whole. *Why Do Only White People Get Abducted by Aliens?* is not that type of book. In this book, Garon reveals the sometimes humorous, oftentimes frustrating, and occasionally horrifying truths that accompany the experience of teaching at a public high school in the Bronx today. The overcrowded classrooms, lack of textbooks, and abundance of mice, cockroaches, and drugs weren t the only challenges Garon faced during her first four years as a teacher. Every day, she d interact with students such as Kayron, Carlos, Felicia, Jonah, Elizabeth, and Tonya-students dealing with real-life addictions, miscarriages, stints in juvie, abusive relationships, turf wars, and gang violence. These students also brought with them big dreams and uncommon insight-and challenged everything Garon thought she knew about education. In response, Garon-a naive, suburban girl with a curly ponytail, freckles, and Harry Potter glasses-opened her eyes, rolled up her sleeves, and learned to distinguish between mitigated failure and qualified success. In this book, Garon explains how she learned that being a new teacher was about trial by fire, making mistakes, learning from the very students she was teaching, and occasionally admitting that she may not have answers to their thought-provoking (and amusing) questions.
