Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Garnet Publishing Ltd, United Kingdom, 2009. Mixed media product. Condition: New. Language: English . Brand New Book. English for Academic Study: Listening English for academic study: Listening is based around transcripts from authentic lectures recorded in a genuine academic environment and, hence, is ideal for students preparing for English-medium study. The lectures are recorded on DVD to provide the student with an authentic learning experience. The lecture extracts are taken from a range of academic fields, including banking, development economics, marketing, psychology and linguistics.
