I Love Mel, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. A paper doll book featuring two cut-out Miley Cyrus paper dolls and many outfits, all drawn by artist Mel Elliott. This unofficial homage to the young pop starlet/serial twerker is full of her most fantastic, casual and controversial fashion choices. Miley regularly makes both best- and worst-dressed lists, and this book of paper dolls celebrates both, from her Marc Jacobs affiliation and casual stripy-wear to that famous teddybear outfit that shortly preceeded Twerking entering official dictionaries. Whatever your opinion on Miley you have to admire her bravery and audacity. With these paper dolls you can take over management of her wardrobe, snipping out the appropriate items for her to wear. All you need is a pair of scissors and a rainy day! The only thing you won t find here are her old Hannah Montana threads, because Ms Miley is so clearly over that by now!.
