BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Seven years ago, Winston Melton was on top of the world: a privileged kid fresh off his first semester at Princeton. Life was perfect--until he was accused of the rape and murder of an ex-girlfriend. Years after his conviction, another death-row inmate has come forward with an eleventh-hour confession, casting Win s conviction in a new light. But with the ink drying on his death sentence, time is running short. Win s grandmother, the family matriarch, has her eyes set on one of the Help Innocent Prisoners Project s defense lawyers: Dani Trumball, and her reputation for results, no matter the cost. Dani, concerned she is being bought, initially refuses but eventually takes the case. Soon, Dani can sense that something s off, both with Win s conviction and the new confession. But seven years after the incident, is there still a chance of uncovering the truth?.
