## THROUGH BURGUNDY BY BOAT (A LEISURELY GUIDE FOR SIGHTSEERS) (PAPERBACK)

Lulu Press Inc, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is as much a treasure to the boat owner as a glass of Pinot Noir to the discerning wine lover. It takes you through the canals of Burgundy, detailing places of interest which can be visited from the canals. With advice on buses, cycle trips and walks. Rich in history, this area of France needs time to explore and without this book it would be easy to miss the history dating from Caesar's Gallic wars to Middle Ages architecture and to modern times. For example the gates on the staircase of locks on the Canal du Nivernais are all different because of destruction in WWII by the Resistance to prevent the German Army from using it as a supply line. The town of Gien - 80 destroyed by the Germans in 1940, and by the Allies in 1944 - has been harmoniously restored using traditional brick patterning and chevrons. It is this sort of information which makes this book not only different from other canal guides but gives a unique taste of France - just a sip of the flavours of beautiful Burgundy.
