

Time, Talent, Energy: Overcome Organizational Drag and Unleash Your Team's Productive Power

By Michael C Mankins

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Managing your scarcest resources. Business leaders know that the key to competitive success is smart management of scarce resources. That's why companies allocate their financial capital so carefully. But capital today is cheap and abundant, no longer a source of advantage. The truly scarce resources now are the time, the talent, and the energy of the people in your organization--resources that are too often squandered. There's plenty of advice about how to manage them, but most of it focuses on individual actions. What's really needed are organizational solutions that can unleash a company's full productive power and enable it to outpace competitors. Building off of the popular Harvard Business Review article Your Scarcest Resource, Michael Mankins and Eric Garton, Bain Company experts in organizational design and effectiveness, present new research into how you can liberate people's time, talent, and energy and unleash your organization's productive power. They identify the specific causes of organizational drag--the collection of institutional factors that slow things down, decrease output, and drain people's energy--and then offer a pragmatic framework for how managers can overcome it...
