UNITED STATES CONSTITUTION AND SOCIALISM (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from United States Constitution and Socialism But a careful search of the pages of history shows that we have been worshiping false gods and institutions. There is nothing more terrible than the truth, and at the same time there is nothing more beautiful than the truth, and the truth herein is told, notwithstanding the fact that some of our revolutionary heroes, whom we have long been taught to revere, are stripped of some of the halo that surrounds them. There were tens of thousands of real heroes engaged in that heroic struggle of revolutionary days, but the bourgeois historians have failed to recognize the great part those heroes played in the battles for freedom, and have showered praise where it did not belong.
