Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from Address; Subject: General Washington, for February 22, 1867 General Washington was born in Westmoreland county, Virginia, February 22, 1732. His father was Augustine, son of Lawrence, and grandson of the first John. His mother was Mary Ball, a daughter of a most respectable Virginia family. She was a lady of great merit, of many virtues, and of superior good sense. She did not marry a second time, and by her tact, her vigilance, and her prudence supplied admirably the place of father to her son. It is needless to speculate much upon the dispositions of Providence, about which it is impossible to know anything without a revelation, and about which it is easy to imagine everything but still I somewhat persuade myself that she had been made an instrument for reserving her son for a much higher destiny, for the achievement of great actions that were to unite his name indissolubly with the independence and greatness of his country; not that I assume, however, that without him its independence could not have been achieved. I believe it could have been, and if not in 1781 in less than forty years afterwards. It will not be doing injustice though to the eminent, devoted, and patriotic men of whom he was the associate and...
