Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Peasant Proprietary in Ireland: A Rejoinder Last month there appeared in the review an article condemning the institution of a peasant proprietary in Ireland, and containing arguments so partial and one-sided that if it be not likely that a more competent advocate of la petite culture should enter the lists, I venture, rather than allow Mr. Morice s essay the appearance of being unanswerable because it was unanswered, to say a few words on the other side. As you, Mr. Editor, appear to recognise the justice of the audz alteram partzm doctrine, I look to your indulgence for the insertion of my remarks upon a question the most important that could engage the atten tion of the thoughtful constituency to which the review appeals.
