BRILLIANCE AUDIO, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Told with warmth and wit, *I Wish You Happy* explores the sometimes-dark complexity of relationships, the transformative power of friendship--and the magic of hope. Rescuing abandoned animals is easier for Rae than attempting relationships with people. According to her therapist, she lacks a dimmer switch--her energy is either full-intensity on or off. Lately, she's been opting for off. But the switch flips back on when Rae's car collides with a cyclist, leaving the rider fighting for her life. After discovering the crash was a suicide attempt, Rae invites the victim--emotionally and physically fragile Kat--into her home. Soon, Rae finds herself opening up, not just to friendship but also to the possibility of love with Cole, the crisis worker assigned to Kat's case. However, Kat's pain threatens to overshadow Rae as their codependent friendship deepens. When disaster strikes again, Rae is desperate to help Kat heal, but the plan backfires, putting at risk Rae's tenuous connections and forcing her to confront the most difficult challenge of all--embracing her own happiness.
