Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe.

(Arielle Ledner)

Clean Reads, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It isn't a laughing matter when Diana starts to see things in the mist which other people don't: monsters, gods, and deadly shadows. Yet now she sees another thing, the world of the Impetus, a reality where humans are enslaved and the once-beautiful gods are actually tyrants. Diana must find a way to escape before the exiled king Fear, a vengeful murderer, hunts Diana down to get back something she's stolen from him. But will her growing feelings for the Prince Isak, the oddly sullen god of comedy, draw her into an all-out war?.
