Crimson Publishing. Paperback. Book Condition: new. BRAND NEW, Practise & Pass 11+ Level One: Discover Maths, Peter Williams, Do you want your child to attend an independent or grammar school? How do you give them the best chance at passing these exams? Practising test questions and extra help and coaching in preparation for the 11+ entrance exam can be the difference between passing and failing. The 11+ test or similar entrance exams must be passed for children to gain entrance to grammar and independent schools. And with limited places and high competition at each school it's vital to prepare your child so they have the best chance of gaining a place. Discover Maths is for beginners, introducing children to 11+ maths exam questions and tests so they can get the basics right first. Boasting expert coaching and guidance for both you and your child, Discover Maths explains how to tackle maths exam questions correctly and is filled with hundreds of brand new, authentic practise questions in the same multiple choice format the real maths exam is in. And when they've completed the Discover level make sure they move on to the next level, Develop, and lastly the Practise Test Papers so they receive a full programme of coaching needed to pass the 11+ maths exam. This brand new Practise & Pass 11+ series has been developed in line with the current entrance exams so your children are practising identical format questions that they will answer in the test. Covering the four key subjects, verbal reasoning, non-verbal reasoning, maths and English, the series is split into three levels - Discover, Develop and Practise Test Papers. After working through the Practise & Pass 11+ series your child will be fully prepared for the tests, have the edge over other applicants and the...
