# Tramline Trading: A practical guide to swing trading with tramlines, Elliott Waves and Fibonacci levels (Paperback)

By John Burford

Harriman House Publishing, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. A straightforward, winning trading method. There are certain universal chart patterns that are traced out time and time again by markets - these patterns have stood the test of time and can be instantly recognised by a skilled trader. When you learn how to spot these patterns and use them to forecast market action you have the basis of a winning trading method. Tramline Trading is a complete practical guide that shows you precisely how to do this. The Tramline Trading Method described here is a simple and complete system which combines Fibonacci levels, basic Elliott Wave Theory and John Burford s original tramline concepts. It is based on a small number of highly reliable patterns and can be put to use in any market. Every detail of how to put the method into practice is revealed, including how to spot developing patterns for high-probability, low-risk trades, where to place entry orders and stop losses, and the five best setups to look out for. Full colour chart illustrations are used throughout. As well as describing the method in full detail, John Burford also provides day-by-day...
